

This image of Cape Cod in Massachusetts was taken from space by the MISR instrument on the Terra Satellite. MISR also captured images of some leftover tsunami waves in Sri Lanka, December 26, 2004. See them at spaceplace.nasa.gov/en/kids/misr_tsunami.

MARCH 2006

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
National Hobby Month. Find a new hobby on our Projects page.			Peace Corps 1 founded in 1961. Volunteers learn about Earth science and so can you on the Astounding Earth Quiz Show.	Dr. Seuss 2 born this day in 1904. Like Dr. Seuss stories? You'll like "Ode to Aerogel."	3	4
5	FIRST QUARTER 6 	7 Telephone patented this day in 1876. Just how far has communication technology come?	8	9	10	11
Girl Scouts 12 founded this day in 1912. The Space Place can help you earn badges for Girl Scouts or Cub Scouts.	13	FULL MOON 14 	15	16	St. Patrick's Day. 17 Little Irish leprechauns might be out today. But how about little green men on other planets?	18 First walk in space, 1965, by Soviet cosmonaut Aleksei Leonov. What made him weightless?
19	International Earth Day. 20 How do satellites help us take care of Earth? Vernal Equinox (first day of spring)	21	LAST QUARTER 22 	23	24	25
26	27	28	NEW MOON 29 A car first broke a speed limit by going 20 mph in 1927. What's the speed limit for a spacecraft in orbit?	30	Cesar Chavez' 31 birthday, 1927. He thought people should set high goals, like the guests of Space Place Live!
